## UTILITY BILLING EMAILS

**Speedway, IN** – This morning, many Speedway water utility customers received an email that looked different than what is normally sent out. The town would like you to know that the billing company has changed and that the emails are legitimate. The link will direct the user to the town's website for online bill payment. We apologize for the confusion.

If you have any questions about the water billing, please contact Speedway Town Hall at 317-246-4111
