

Speedway Solid Waste Management Commission

February 9, 2011 Meeting Minutes

Meeting was called to order at 7:00 p.m. in attendance were Pam Flaherty, Angie Smith, Wendell Walters, and Christie Manion. The November minutes were approved.

Old Business

Barb was not in attendance, so the budget discussion was tabled until the next meeting.

New Business:

Wendell told the committee that there has been \$7,200 in recent repairs to the yard waste truck. The truck is beginning to show its years, and we should start to think about the possibility of replacing it. He said that at one time, the state provided grants for this type of purchase. As a committee, we should be mindful of these grants as well as other avenues for making this purchase.

Wendell also shared that we can do a review with our vendors annually to evaluate service and/or make changes. He commended Ray's on their excellent service during the ice storm. Trash pickup was only delayed one day, which is quite an accomplishment for the severity of the storm.

Christie shared that Appliance Recyclers (291-4500) will come pick up computers, TVs, and other appliances.

Next meeting is Wednesday, March 9, 2011 at 7 p.m.

Meeting was adjourned at 7:16 p.m.

Respectfully submitted,

Angie Smith
