The Speedway Fire Departments Public Education Division, headed up by Speedway resident & Battalion Chief Jeff Hartman delivered an important message during this year's Fire Prevention Week.

Battalion Chief Hartman along with the assistance of many hardworking firefighters delivered lifesaving instruction regarding fire safety to the school children of Speedway this past month. This message is of vital importance and Fire Chief Watson along with his administration is very appreciative of Battalion Chief Hartman's dedication and tireless efforts in delivering this very important life safety training. Here are some photos from these fun and informative visits:
