

Speedway Solid Waste Management Commission

Wednesday, January 14, 2015 Meeting Minutes

Meeting was called to order at 7:00 p.m. by Brady Dyer. In attendance were Angie Smith, Brady Dyer, and Wendall Walters.

**Ray's Rollout** – Wendall gave the committee details on the rollout of the new Ray's bins in December and January. He shared that Republic will run one more week to pick up recycle bins not picked up the first time. Ray has delivered 99% of its bins as of this week, and most fixes have been same day. As of this time, there are only 45 residents who did not want bins. Ray's is working closely with those customers to problem solve and assist with any problems. Wendall also informed us that with the switch, it had been discovered that some residents and businesses had not been billed in several years. The town is working on those accounts to make sure that all residents and businesses are being charged for solid waste services. Wendall also shared Ray's phone number (539-2024) for any residents wanting an additional bin or experiencing issues of any kind.

There was some positive discussion pertaining to the rollout shared by all committee members. It was determined that meetings will now be quarterly since the contract is complete and services are running smoothly.

Next meeting is Wednesday, April 8 at 7 p.m. Meeting was adjourned at 7:25 p.m.

Respectfully submitted,

*Angie Smith*

SSWMC Secretary
