SPEEDWAY CDC AND WORLD CHANGERS OFFER HOME REPAIR ASSISTANCE

April 7, 2015

The Speedway Community Development Corporation is pleased to announce that it will again partner with World Changers to help homeowners in the Town of Speedway who may need assistance with home repair and rehabilitation.

This program is for families who may need routine repairs to their owner-occupied home. Some of the requests might include painting, yard and garage clean up. The volunteers can assist in landscaping and minor roofing projects as well.

The only cost to the homeowner is the cost of materials. All labor is being donated by World Changers. This group will be in town doing work during the weeks of June 15th and June 22nd

Anyone interested in having work done may call Michelle Lidy 246-4120 or email mlidy@speedwayin.gov. Please provide your name, phone number, address and repairs needed.

All applications will be reviewed and then be contacted by the project manager to schedule a time for the work to be completed.

Deadline is June 1st, 2015
