

Town of Speedway

On Monday, February 5th, 2018 the Speedway Police Department hired its newest police officer. Officer Mark Ludwig, 28, was sworn in by Clerk-Treasurer Monty Combs during a ceremony held at the Speedway Town Hall.

Prior to working for the Town of Speedway, Officer Ludwig was employed as a Shift Manager with Crew Car Wash. He also attended the Community College of the Air Force where he majored in fire science and is a current member of the Air Force Reserves stationed at Grissom Air Reserve Base.

Officer Ludwig and Officer Derek Eisman, who was hired in January 2018, will both attend the Indiana Law Enforcement Academy later this year.

Please help us in welcoming Officer Ludwig to the Speedway Police Department and the Town of Speedway.
