

PUBLIC WORKS UPDATES

March 2, 2018

IPL will be working in the intersection of 11th and Main Street starting Tuesday March 6th, on a 2-day project with traffic controls in place.

The B&O Trail project has started this month with pre-construction work, staking and clearing. Construction will start at 11th and Main Street and then proceed west on the old B&O trail bed.

The 2018 mill and resurfacing project will start this month. Areas included for work are:

- Rosner from Lynhurst to Ford Street
- Cadillac Drive - starting at 6001 Cadillac to 5984 Buick
- Meyers from McCray Street to 25th Street
- 22nd Street from Woolco Lane to Crawfordsville Road
- Fisher Avenue from 22nd to Gerrard Avenue
- Gerrard Avenue from Winton Avenue to 25th Street.

These areas will also have ADA curb ramps replaced. The project does include some replacement/repair of concrete.
