

Participants

Additional input about infrastructure:

- Add a trail around the retention pond
- Add pedestrian/bike baths instead of sidewalks
- Have green space, to make a nice entryway
- Demand high expectations for landscaping and buffers
- Make it a quality, nice and unique area

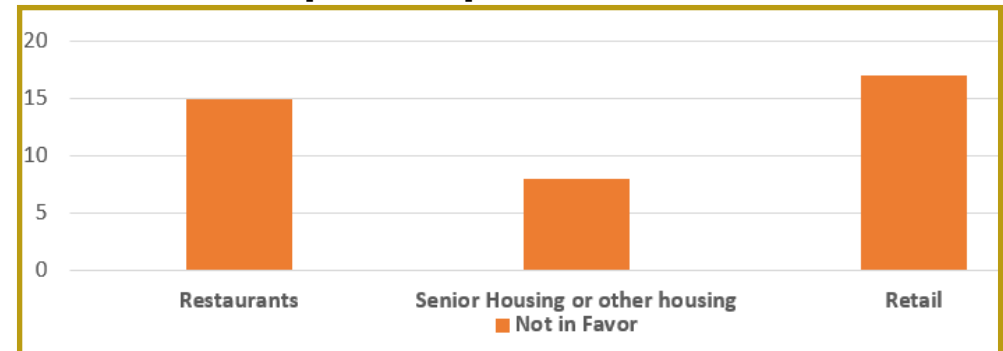

Public Input—Top In Favor Uses

Comments:

- Entertainment, family friendly facilities, regional destination component
- High quality hotel with conference or wedding reception space
- Restaurants: Chick-Fil-A, nice sit down restaurant
- Grocery: Aldi, Organic, fresh healthy food focus

Public Input—Top Not In Favor Uses

Comments:

- Restaurants: no fast food, no chains
- Retail: no strip malls, no low-end or low cost stores
- Housing: no senior housing or apartments
