B&O Trail Grand Opening Invitation

Diamond in the Rough 5K run, walk, ride

I am honored to facilitate the grand opening ceremony for the B&O Trail. The ceremony will start at 9:30 am, Saturday, September 15th, at the west end of Leonard Park. The physical ribbon cutting will start the Diamond in the Rough 5K timed run, family walk and bike ride. I will start the ceremony with a little history of Speedway Trails. I would like to invite a speaker from the Town Council, Town Manager Jacob Blasdel, Redevelopment Commission and Wendell Walters to talk about 5 minutes on the history of how this trail was built. Karlee Macer will be the final speaker and will talk about the B&O Trail future.

All Town of Speedway residents and visitors are invited to attend this Grand Opening ceremony and to support Speedway Trails by participating in our 5K Diamond in the Rough inaugural fund-raiser for building the Eagle Creek Trail in the Town of Speedway.

Respectfully,

Beverly Katterhenry,

President, Speedway Trails
