ANNOUNCING:

Scholarships for Speedway, Inc.

2020 Phone-A-Thon

Saturday, February 22 – 10 am to 4 pm
Saturday, February 29 – 10 am to 2 pm

Dear Speedway Neighbor:

Student volunteers from Speedway High School will be calling Speedway residents and friends on Saturday, February 22 and Saturday, February 29, during our **30th Annual Scholarships for Speedway Phone-A-Thon** as part of our effort to secure your pledge of support.

Money raised during the **Phone-A-Thon** provides scholarships to Speedway students so they may continue their education beyond high school. Many of you have stepped up when called in the past and have made gracious donations to help our Speedway youth. Since its beginning in 1989, this scholarship organization has been able to award 1276 scholarships totaling \$1,173,200 to Speedway graduates.

When a student calls, your phone's caller ID will show you are being called from Speedway Schools. We hope that you will choose to pledge your support and send in a donation this year. If you make a pledge during the **Phone-A-Thon** you will receive a letter with details on returning your pledge.

Below is a brochure detailing the history of the organization and what we have accomplished to date with the support of friends like you. If you are unavailable on these two Saturdays or should you not receive a call during the **Phone-A-Thon** and wish to support our efforts with your tax deductible donation, you can still do so. Just print out and tear off the Donation Form on the brochure and return it along with your check to **Scholarships for Speedway, Inc.**, 5335 West 25th St., Speedway, IN 46224 as per the instructions on the form.

Our History:

A small, dedicated group of our citizens set out to provide scholarships for Speedway students. The results:

1989 - They pooled their own funds to establish a local scholarship program and awarded one scholarship of \$500 to graduating senior, Heather Davidson.

1990 - Five \$1000 scholarships were awarded to graduating seniors with the help of additional community members and we were able to establish our Endowment Fund with help from the Speedway Parent-Teacher Association.

1991 - The first annual Phone-A-Thon raised enough funds to award sixteen \$1000 scholarships.

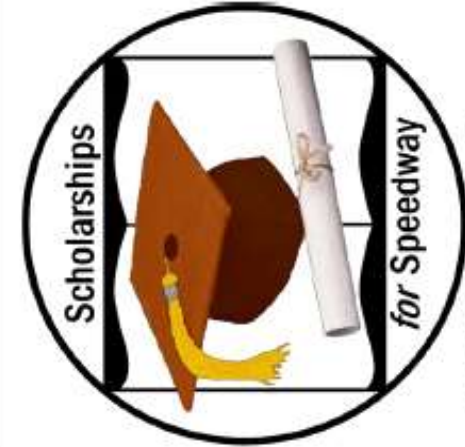

1993 and '94 - The Indianapolis Motor Speedway, along with numerous local businesses, joined us in our "Racing for Education" program to build up our Endowment Fund, used to support the continuing education of Speedway students working toward their first undergraduate degree.

2013 - A reorganization of our program took place and we are now strictly a local organization continuing the same mission.

As of Today - To date we have awarded over 1 million dollars in scholarships.

Our Future:

That is up to each of you... our past, present, and future citizens and supporters of this great town!

Who We Are:

We reorganized in 2013 and are now registered with the State of Indiana as **Scholarships for Speedway, Inc. (SFS)**. We are recognized by the IRS as a 501(c)3 public charity.

Our Purpose:

Originally founded in 1989 as a non-profit community organization, the current SFS program continues to work to assist Speedway students meet the cost of higher education.

Our Goals:

To provide first-year scholarship aid to as many graduating Speedway High School (SHS) seniors as possible and to provide scholarship opportunities to continuing education students from Speedway working toward their first undergraduate degree.

Supported By:

Voluntary contributions come from supporters who feel a strong Speedway connection such as residents, families, businesses, clubs, civic groups, alumni, former students, and former residents.

Memorial gifts may be one-time general donations or to establish a continuing scholarship through annual grants. You can also establish an endowment through SFS to administer a designated scholarship.

Scholarship Application:

A scholarship application form is available to graduating SHS seniors in the high school guidance office or from our website by selecting **Scholarships for Speedway, Inc.** on the **"Community"** tab found at www.SpeedwaySchools.org.

Instructions on applying for a **Continuing Education Scholarship** will be provided in the Speedway Town Press in May of each year and on our website.

How Can I Help?

All contributions, regardless of size, are important. By joining together, we can pool funds to help many deserving Speedway students reach their goal of a post high school education. This can be accomplished in several ways:

2. For those individuals not contacted during the **Phone-A-Thon**, donations may be made using the form to the right and mailing it to the address indicated.
3. Information on **memorial giving**, establishing a **memorial scholarship** or **estate giving** through a will or trust may be obtained by sending us the completed form found to the right.
4. Visit us by clicking on **Scholarships for Speedway, Inc.** on the **"Community"** tab found at www.SpeedwaySchools.org.
