September 22, 2020

Loftus Robinson announced today the addition of MHG Hotels as Manager and Co-Developer/Partner of The Wilshaw Indianapolis, Tapestry Collection by Hilton outside of the Indianapolis Motor Speedway downtown Speedway, Indiana. “We’re excited to have MHG join our project team and look forward to progressing as quickly as the environment allows,” said Drew Loftus, Principal at Loftus Robinson. “This portion of our mixed-use development has had its challenges but we remain fully committed to seeing our vision through to fruition. MHG Hotels, along with the Town of Speedway, share in that commitment. The Wilshaw Apartments have been well received and exceeded our expectations. We’re confident the hotel will do the same.”

Indianapolis based MHG Hotels manages and owns over thirty hotels throughout the United States. “MHG Hotels is thrilled to partner with Loftus Robinson and the Town of Speedway on the Wilshaw hotel,” said Neal Patel, Vice President of MHG Hotels. “MHG remains greatly invested in Speedway with our existing Courtyard Marriott and the new Hampton Inn and Suites with approximately 10,000 square feet of conference space in the Foundsquare development that is upcoming. Wilshaw being ideally situated downtown Speedway at the entrance of the track will complement both of these hotels perfectly. We are very excited about the future in Speedway.”

About Wilshaw

In the storied history of the Indianapolis 500, some names become legendary due to their amazing feats on the track. Others are remembered for their contributions to the track and Speedway. Few names are remembered for both of these efforts. Wilbur Shaw was not only one of the track’s greatest drivers, but also critically important to keeping the Greatest Spectacle in Racing alive. Wilshaw is a combination of Shaw’s first and last names. As the last native Hoosier to win the 500, this is the perfect chance to honor the legacy of Wilbur Shaw with a landmark project. The Wilshaw Indianapolis, Tapestry Collection by Hilton, is part of the \$41M mixed-use project directly across from the Indianapolis Motor Speedway on Main Street in Speedway. The project sits adjacent to “Legends Plaza” on the corner of 16th and Main Street - the most prominent location in the quickly growing downtown Speedway corridor. The mixed-use development consists of a 127-room hotel, 90 luxury apartments, and 14,000SF of retail space.
